Business Development Manager

Description

Digital Vision EA Limited (<https://digitalvisionea.com>) is looking for a highly-motivated, intelligent, and skilled individual to join its team as the business development Manager.

He/She will be reporting to the CEO.

This is a full time position.

The ideal candidate must be able to work locally and full-time in Nairobi. Without exceptions, no part-time or remote arrangements will be considered.

The candidate will also be willing to travel to client sites in Kenya and abroad, if and when required to do so.

The job requires the ability to take ownership of the over management of sales and marketing functions of the company. We are looking for someone with the self-discipline to get work done in a timely manner without constant oversight.

We'll also be looking for an eagerness to collaborate with a small team of highly-motivated people.

Responsibilities

Responsible for the overall management of all strategic and operational Marketing and Customer Relationship activities.

Provide market feedback to the company leadership regarding competitive offerings, prospect needs and generate product development ideas.

Take ownership of the management of the sales and marketing functions of the business.

Drive increased revenue and profit to achieve the Company's ambitious growth.

Working to stringent targets, the job holder will be required to adopt a professional and knowledgeable approach to each new business call.

Planning and coordinating the implementation of business plans and the penetration of new markets.

Inform current and potential partners about key business developments.

Manage existing partnerships.
